

CJM NEWSLETTER ISSUE NO-7

DEAR PARENTS, GUARDIANS AND STUDENTS

We have joyfully entered the festive season and the final month of 2024. With a heart full of gratitude, I thank our gracious God for His abundant blessings upon our community throughout November and from the beginning of the year until now.

Reflecting on the past month, I take pride in the grand success of our Annual Sports Day. This achievement was made possible through the dedication and hard work of our teachers, who tirelessly trained the students; the enthusiasm and participation of our students; and the invaluable support of our PTA members and parents, who extended their helping hands during rehearsals. Above all, I thank you, dear parents, for your unwavering support and for gracing the event with your presence.

APAAR ID Completion

I extend my heartfelt gratitude to Ms. Sunita Pereira, our Clerk for her remarkable effort in completing the APAAR ID process for all our students. She successfully created IDs for nearly 632 students within just two days, demonstrating exceptional dedication. Working tirelessly, she continued the task at home, often staying up until midnight.

Thanks to her relentless commitment, ours was the first school in the Palghar District to accomplish this task, earning well-deserved recognition from the District Officer. I also express my sincere appreciation to our class teachers, who diligently supported this process by gathering Aadhaar cards and providing their unwavering assistance.

I take immense pride in acknowledging the competence and dedication of my staff. Truly, I am blessed to work with such an incredible team.

Star Class of the Month

Grade 7 has been recognized as the Star Class of the Month for their exemplary discipline and behaviour. Under the guidance of Ms. Lija Correa, the students demonstrated remarkable self-control, maintaining silence and order even in the absence of their teacher. Their conduct is truly commendable, especially in a time when maintaining such discipline can be a challenge. Well done, Grade 7!

Sponsors of the Month

I extend my heartfelt gratitude to Bassien Catholic Bank and Canara Bank for their generous sponsorships, which greatly contributed to the success of our Sports Day. Bassien Catholic Bank sponsored the drone and ground videography, while Canara Bank sponsored the canopies, with each contributing ₹10,000.

Their support was truly a blessing, helping us significantly reduce the event expenses. I am deeply thankful to the managers, Mrs. Sheela and Mr. Monish, for their kindness and collaboration. Your contributions have made a lasting impact, and we are immensely grateful!

Heartfelt Gratitude

I extend my sincere thanks to Mrs. Jacqueline Gonsalves for her generous contribution of ₹15,000 towards the PTA Fund. I am equally grateful to Mrs. Linda Dais for her contribution of ₹7,000 to cover the picnic expenses for three Grade 10 students.

A special note of appreciation goes to my staff members who, with compassionate hearts, sponsored the picnic expenses for a few children. At their request, their names remain undisclosed, but their kindness speaks volumes.

Thank you all for your generosity, empathy, and unwavering support for our school and students. Your contributions make a meaningful difference in our community.
