Brilliant Students Awardees

Dear Parents, Guardians, and Students

Blessings for the New Month

As we step into the month of July, we pray for the Almighty's blessings upon us and all our school endeavors. May this month be filled with grace and success for everyone.

School Year Beginnings

We are thrilled to share that the new school year has started on a positive note. Our school has seen a wonderful response with new admissions, increasing our student strength from 705 to 728. We extend our heartfelt thanks to everyone who recommended our school. This is indeed a great blessing and achievement for us.

Yoga Day Celebration

Subroto Cup Tournament

Our students are diligently preparing for the Subroto Cup tournament, with both our boys' and girls' teams participating. We wish them God’s blessings as they represent our school. Rigorous practice sessions are being held during the zero period of the day. We request the parents of our school team members to support and cooperate with the school. This year, we dream big, and our players are equally enthused to bring home the trophy. Let's send them positive vibes and cheer them on!

The matches will commence on 4th July 2024. Sr. Jones and the football coaches will provide updates through the group. We request parents to accompany the students and be their cheerleaders. Your presence will boost their confidence and provide moral support.

Upcoming First Unit Test

The first unit test is scheduled from 22nd to 26th July 2024. The timetable will be shared with the students on 5th July 2024. Teachers will complete the syllabus by 12th July 2024, with class tests and revisions starting from 15th to 19th July 2024.

Once the teachers have completed the syllabus, it is the duty of the students to revise and prepare well for the exams. I have also instructed the teachers to begin with the First Term syllabus if they finish with the current portions and revisions early. In high school, the syllabus is vast, and students have extensive lessons to cover. Additionally, Vasai often has unexpected holidays, so timely completion is crucial.

Annual General Body Meeting (AGBM)

We will hold our Annual General Body Meeting on 13th July 2024. During this meeting, we will elect our new PTA members and extend our heartfelt thanks to the outgoing members for their dedicated service. Your wholehearted attendance is requested for this important meeting. Please save the date. The meeting will start sharply at 8:00 am. Kindly be on time.

Pre-Primary Father’s Day Celebration

Special Thanks

We extend our heartfelt gratitude to Ms. Jacqueline Gonsalves, mother of Jess (Grade V) and Jane (Grade II) Gonsalves, for her generous donation of Rs. 10,000. Your kindness and support towards our school are truly commendable and deeply appreciated. This contribution will significantly aid in enhancing the educational experience for our students.

We also wish to express our sincere thanks to Mr. Santosh Chavan, father of Vismay & Maharsh, for his generous donation of Rs. 10,000. Your generosity and commitment to our school’s growth and development mean a great deal to us.

Both donations will be instrumental in providing better facilities and opportunities for our students. Your support and contributions inspire us to continue striving for excellence. May God bless you abundantly and watch over your families.

Pre-Primary Section Shines

This month, the Pre-Primary section was recognized with the prestigious award of the month. Ms. Lyra D'Souza and her Senior KG class were awarded first prize for having the best-decorated classroom in the school. The Junior KG and Nursery classes were close contenders, earning the runners-up positions. Congratulations to all for their outstanding creativity and dedication!
