

CJM Monthly Updates

Welcome to the Exciting New Academic Year 2023-24!

Dear Parents, Guardians, and Beloved Students,

I hope this newsletter finds you filled with excitement and anticipation for the upcoming academic year. As we bid farewell to the warmth of summer, we are thrilled to welcome you all back to school for an incredible year of learning, growth, and new adventures.

New Beginnings:

The start of a new academic year is always special, as it offers a fresh start and countless opportunities. We are eager to embark on this journey together, ready to explore new subjects, discover hidden talents, and make memories that will last a lifetime. My dedicated team of educators, office and support staff will work tirelessly to ensure an enriching and safe environment for your children.

Meet Our New Teachers:

I am delighted to introduce our new additions to the teaching staff. Mrs. Cynthia who will teach Maths to Grades 8,9 & 10, Sir Nilesh our PE Teacher, Mrs. Lyra Senior Kg Teacher, Mrs. Annie-Nursery teacher, and Mrs. Giovonna- Elocution and Singing teacher. These talented individuals will bring a wealth of experience, creativity, and passion to our school community. They are eager to meet their new students and inspire them to reach new heights. We are confident that they will make a positive impact on the educational journey of our students.

Enhanced Learning Experiences

We constantly strive to provide an outstanding learning experience that caters to the unique needs and interests of our students. This year, we have expanded our digital resources, introducing Interactive Panel in three classrooms. Our goal is to empower students with the skills required to thrive in the digital age while nurturing their critical thinking, problem-solving, and collaboration abilities. If we are happy with the interactive panel, next year we will introduce it for other classes.

Parent-Teacher Collaboration

We firmly believe that a strong partnership between parents and teachers is crucial for the success of our students. We invite all parents to actively engage in their child's education through regular communication, attending parent-teacher meetings, and volunteering for school events. Together, we can create an environment where students feel supported, motivated, and empowered to achieve their full potential.

Open House and Orientation

To help students transition smoothly into the new academic year, we will be hosting an Open House and Orientation Day. This event will provide an opportunity for students and parents to familiarize themselves with the school premises, meet the teachers, and ask any questions they may have. We encourage you to mark your calendars and join us for this informative and interactive session.

As we embark on this new academic year together, we want to express our gratitude for your continued support and trust. We are committed to providing a nurturing and stimulating environment that fosters academic excellence, character development, and a love for lifelong learning.

We are excitedly counting down the days until we welcome you back to school. May this new academic year be filled with exciting discoveries, personal growth, and treasured memories. We wish you all a fantastic start to the 2023-24 school year!
