DEAR PARENTS OF CONVENT OF JESUS & MARY HIGH SCHOOL

Blessings of Peace and Love for the Blessed Month of March

We have reached the end of this wonderful year and I am grateful for everything that we have achieved this year with God's grace. Without the inspiration and guidance of the Almighty, our School academic year wouldn't have achieved success. So, with a grateful heart, I take this opportunity to thank all my parents for your unwavering support, uplifting praises, constructive feedback, and positive approach towards my staff and the school.

This year our CJM school has made remarkable progress in all the areas of our School Life. With the co-operation of my staff, we have brought about academic stability in our school. Portion has been completed on time, notes are given in the class, books are regularly checked by the teachers and stamped by the administrative department. I am glad to hear lots of good things being spoken about our school. Keep spreading positive vibes about our school in and around Palle and all over Vasai. Let's **'Dare to Shine.'**
