## Monthly Updates

**DEAR PARENTS OF CONVENT OF JESUS & MARY HIGH SCHOOL**

*Blessings of Peace and Love for the Blessed Month of March*

Welcome to the last and the final April edition of our school newsletter of this academic year. As we enter the final stretch of the academic year, we want to take a moment to update you on the latest news and events happening at our school.

**Academic Update:** Our students have almost completed their final exams. I am sure they have worked very hard to achieve higher grades and scores in their exams. As we move towards the end of the academic year, we encourage our students to continue to stay focused and keep learning and reading during the summer holidays.

**Summer Break:** We wish all our students and their families a restful and an enjoyable summer break.

**Summer Sports Camps:** At CJM, we will be conducting various indoor and outdoor sports. We encourage all our students to participate in sports and other extracurricular activities as they provide opportunities for physical and mental growth. ***Summer Camp dates are 10<sup>th</sup> to 27<sup>th</sup> April, 2023.***

**Open Day:** 1<sup>st</sup> May 2023 will be the last open day of this academic year. Parents are requested to come along with your child for the open day. The students need to come to school in their complete school uniform.

**School Fees:** Please pay the pending school fees of this academic year. The school counts on your help to pay the fees on time. We need funds to pay the salaries of the teachers and for upgrading the school with latest educational facilities.

## Monthly Updates

### Tailor for School Uniforms

This year I have changed the vendor for stitching our school uniforms. Last year, due to multiple tailors, our school uniform shade was completely distorted. We are still trying to figure out the correct shade of the uniform. The parents who want to stitch the uniforms can do so on the given days. The tailor will be available in the school. Please do not stitch the uniforms with the other tailors because they will not have our unique uniform shade.

### **Measurement Dates of Uniforms**

**Time: 8.00 a.m. to 10:30 a.m.**

5th April 2023	Jr. & Sr. Kg
11th April 2023	Std. I
12th April 2023	Std. II to IV
13th April 2023	Std. V to X

**School Notebooks and workbooks:** The books need to be bought from our school vendor. The school has printed the notebooks for all the students with our school logo and customized cover pages. We will be giving the notebooks and the workbooks. The textbooks will have to be bought from the outside stationery shops. The cost of the books will be shared with you separately.

**Library Books:** Children can borrow books from the library to read during the summer vacation. This will encourage healthy reading habits and increase their vocabulary.

**Feedback:** I am available in the office in case you like to share your feedback or grievances with me. I am open to listening to you dear parents. Your satisfaction is my first priority. I value your opinions and strive to incorporate your suggestions and ideas to improve our CJM School environment for learners.

HAPPY  
SUMMER  
VACATION!
