Our Amazing Sports Day

DEAR PARENTS OF CONVENT OF JESUS & MARY HIGH SCHOOL

Blessings of Peace and Love for the Blessed Month of December

December is a special month for all of us as we celebrate the birth of Jesus. And with Christmas round the corner, there is excitement in the air. The staff and the students are busy preparing for Christmas celebration in order to make this Christmas a special one for all of us.

At CJM, much has happened from November till now. We had a successful Annual Sports Day. The students got an opportunity to showcase their athletic skills. The Pre-Primary students had their beautiful Fancy dress competition. This coming week, the Primary section

will have their Carol signing competition, and the entire school will have Christmas Class decoration Competition.

Regarding academics and the upcoming II Unit Test. The teachers have completed their portion for the II Unit Test Exams. They have corrected the books and given the class tests too. Along with the assistance of Ms. Sunita, my clerk and the helpers, I have checked the notebooks of the students and stamped them. Few class tests which are pending, will be completed on Tuesday. I have kept books in the office for checking which I will give back soon.

Christmas Vacation is from 23rd December 2022 till 1st January 2023. School Re-opens on 2nd January 2023

The maths portion of Clases 9 & 10 will be completed by next week. Due to Sir Gerswyn's sudden illness, I had to look out for a substitute teacher and I am much grateful to Ms. Priscilla, our Ex-teacher for coming to my aid and completing the maths poriton of our students.

The Syllabus tracking files of our teachers have helped me in tracking the daily work of teachers. This endeavour has increased the efficiency among my teachers and taught them to meet deadlines and made them multitaskers. My aim of increasing the academic performance among students is becoming a reality at CJM.

Ms. Lija helped Selflessly on Sports Day

Sir Jude organized many Sports activities for students

Ms. Swity and her class grapped all the First Prize Trophies

My students are not in a habit of reading. I desire that they become voracious readers. I am planning to upgrade our CJM Library with new books. This will provide an opportunity for students to enhance their reading skills, increase their vocabulary, thinking powers and imagination. Please remind your child to read the text books and take personal interest in their life.
