School Re-opens on 9th November, 2022.

CJM Monthly Updates

Dear Parents of Convent of Jesus and Mary High School,

Blessings of Peace and Love for the beautiful month of October.

At CJM we welcome this wonderful Month of October. October is a special month for India. It is this month when the Father of our Nation was born and today we celebrate ‘Gandhi Jayanti.’

This month is also special for all of us.

- For Catholics this month is dedicated to **Mary and Holy Rosary**.
- For Hindus it is a month of light and blessings as they celebrate **Diwali**.
- For Muslims it is a month of Eid-e-Milad as they **celebrate the birthday of the Prophet of Islam, Hazrat Mohammad Saheb**.

So this month is of great significance for all of us.

For the children of CJM High School, this month is a crucial month as they prepare for their **First Terminal exams**. Life is full of tests and I am sure for our dear students this month is important as they will boldly answer their exams with total honesty. Our teachers have done their best to complete the portion inspite of all odds. They too are striving hard to uplift the academic level of our students and school.

Dear Parents, I earnestly request you to encourage your children to sit with their books. They need your constant reminders to study. It would also make a lot of difference if you accompany your beloved children with your presence. Shower them with your love and positive energy. **Keep reminding them that they are brilliant, genius and they were born to succeed in life. Provide them nourishing food. Be there for them and let them know you care for them.**

Stay by their side when they are studying, wake them up in the morning to revise their studies. Discourage them from watching television. Take the mobiles from them for this month. Your children deserve your attention, support and unconditional love. Let them be at home for this month till their exams get over.

I as a Headmistress, greatly desire that my children excel in all the areas of life. I am constantly with them, attending to their needs and accompanying them with my spiritual guidance and mentoring. I fall asleep and wake up thinking about them. It's been my passion to make each day a special day for our children. **I love to see them happy, joyful and bubbling with life. I see a lot of difference in them and I thank God for his constant guidance to my faculty members, myself and the entire administrative team.**

I believe that all my children are born with great potential of mind, body and spirit and they are special to me and they are my world. So far I have tried my level best to empower them and have given my best to make them happy here at CJM. *Our Mother Foundress ‘St. Claudine Thevent’ always told us to give best for our children and this is what I have been doing for the last two months.*

CJM Monthly Updates

Co-curricular Activities supported by the School

Dance Classes

Sir Deepraj is conducting dance classes. Encourage your child to join the classes. In the future, this skill might help to build his/her career.

Timings

Tuesday: 5:30 to 6:30 p.m.

Saturday: 10 to 11 a.m.

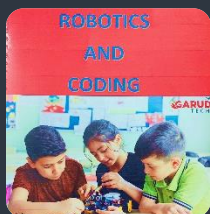

Sunday: 5:30 to 6:30 p.m.

Fees – 700 per month

Robotics and Coding

After Diwali vacation, I will be starting Robotics and Coding for those interested students in collaboration with 'GARUD TECH AUTOMATION'. Their team will conduct a demo workshop for our students. This interdisciplinary branch of computer Science and engineering will surely help our children to be future engineers. I rely on your support to encourage your child and permit them to develop their innate potentials. Provide them financial support.

Prayer for Students

I am sharing with a powerful prayer which is my favourite and I said it during my exams. It's an effective prayer. Bigger children can say on their own and the smaller ones the parents could repeat for them.

'Infinite Intelligence in my Subconscious mind, guides me in all my studies in school and reveals to me all the answers. I am always poised, serene and calm while writing my papers. I remember all my answers. This is why I pass all my examinations in Divine Order.'

May the blessing of our loving God be with us always, as we place all our confidence in him. I also thank God for his support during the first term. Thank you parents for extending your help in words and deeds. I truly had a peaceful beginning here at CJM. *All I experienced were God's blessings and graces. Truly, God is always Good!*

Wishing all of us a relaxing and blissful mid-term break. Have fun with your children and take them out for a refreshing mind break. Will be looking forward to interacting with you again in the **'SECOND TERM.'**

Some Exciting activities which were held last month.
