Welcome to September!

As we embrace this new month, we are filled with anticipation for the exciting opportunities and events that lie ahead. September marks a fresh start, bringing a renewed sense of energy and enthusiasm. It's a time to build on our successes, set new goals, and continue our journey with optimism. Let's welcome September with open hearts and embrace the opportunities it brings for growth, learning, and joyful experiences.

"Grateful for August's Blessings and a Memorable Annual Day"

We begin by thanking God for the blessings of August. His presence was truly with us throughout the month. We successfully hosted our Annual Day, which turned out to be a grand success. I have received numerous compliments regarding the event—particularly about the outstanding performances by our children, the beautiful seating arrangements in the quadrangle, and the LED projection screen that ensured everyone could comfortably enjoy the program.

The Best Student Awards of the Month

Last month, we had the pleasure of honouring several students for their exceptional conduct, manners, and learning attributes. These students have stood out not only for their dedication to their studies but also for their courage to be unique and make a positive impact in the classroom. Congratulations to these remarkable individuals for their outstanding achievements and for setting a wonderful example for their peers.

Best Student of the School for August:

Master Allen Martins

Allen demonstrated exceptional qualities as the head boy of our school. He consistently arrived early at 6:50 a.m., taking his place at the entrance to greet me, the teachers, and his fellow students. His punctuality was admirable and served as an inspiration to everyone, emphasizing the importance of being on time. As the head boy, he has set a great example for all to follow. Congratulations, Allen, for being the Best Boy of the School!

Best Class of the Month:

Grade 10

Grade 10 has excelled this month, showing responsibility, hard work, and obedience. They put on a beautiful Independence Day program that was enjoyed by everyone. The students of Grade 10 have also been sincere in their Teachers' Day preparations, demonstrating self-responsibility and dedication to their tasks. Congratulations, Grade 10, and a special thanks to Ms. Tejasvi for her guidance!

Instructions for the Month of September

Innerwear:

It is compulsory for students to wear innerwear. If a student arrives without innerwear, a fine of **Rs. 50 will be charged.**

PT Uniform:

The PT uniform must be worn on designated PT uniform days. Failure to do so will also result in a **Rs. 50 fine.**

Parents, please understand that these fines are necessary. Remarks from teachers are often overlooked, and children do not take the rules seriously. However, when a monetary fine is involved, we see a significant improvement in compliance. Since we started implementing these fines, we've noticed better adherence to the PT uniform and innerwear rules.

Upcoming Activities

Teachers' Day Celebration:

Attendance is compulsory for Grades 5 to 10. A **Rs. 100 fine** will be charged for absence.

Teachers' Day Celebration for Pre-Primary and Primary (4th September):

We request parents to help their children prepare greeting cards to present to their teachers on the 4th of September.

5th September (Teachers' Day):

Eucharistic Celebration: 8:30 a.m. – Parents are most welcome to attend the Mass in the church.

Entertainment Program: 10:15 a.m.

Dismissal: 12:00 noon.

Please note: No gifts are allowed for Teachers' Day. Cards and flowers are sufficient. I will take care of gifts for the teachers. Prayers are more powerful than gifts, so please pray for your children and their teachers.

6th September (Pre-Primary):

Field Trip to the Old Age Home.

Grandparents' Catwalk: We request the participation of all grandparents.

For other activities planned for September, please check your calendar.

Gratitude for Anonymous Sponsorships: Blessings and Appreciation

A heartfelt thank you to the parents who generously sponsored the fees for our less fortunate children in August. Your kindness has made a significant difference, and though you wish to remain

anonymous, we deeply appreciate your support. May God bless you abundantly for your generosity and continue to shower you with His grace. **I have not mentioned the names of the sponsors at their request."**

Gratitude and Request for Support: Teachers' Day Celebration

I want to express my deep gratitude. I also want to thank all our students for their contributions toward the Teachers' Day celebration.

Just to keep you informed, we currently have **Rs. 34,475 in our PTA account**. This amount is insufficient, and I cannot deplete the bank balance. In all our other JM schools, teachers are taken to a renowned restaurant for a meal. However, at CJM Naigaon, our teachers have only been served simple biryani in the past. This year, I truly want to honour them. With 733 students and generous parents, I hope to do something special. My PTA parents have already generously contributed towards the gifts, and I would like to request your support as well, in whatever way you can, to help cover the lunch expenses. I will share the financial details with you in the October newsletter.

A Call for Support: Sponsoring Needy Students to Empower Lives

Once again, thank you for all your generous support. I encourage you to consider sponsoring the fees for ten needy children in our school. While many parents contribute to churches, temples, and mosques, I kindly remind you to also support the education of our less fortunate students. By empowering these children, you are making a profound impact on their lives and on humanity as a whole. Remember, the more you give, the more you receive—that's the law of life.

I hold you and your families close in my prayers, asking that God's abundant blessings be poured out upon you. May He grant you joy, peace, and prosperity in all that you do. Your unwavering support and generosity are truly cherished, and I pray that you continue to be surrounded by love and grace. May God's light guide your path, and may He bless you with health and happiness in the days to come.

Warm regards,
Sr. Flavia Fernandes RJM
