Dear Parents, Guardians, Teachers and Students

As we turned the page from July to August, our hearts overflow with gratitude for the blessings we received and the milestones accomplished in the month gone by. Every step we took in July was guided by God's gentle hand, preparing us for the journey ahead.

And so, with thankful hearts, we stepped into August — a month painted in the vibrant hues of monsoon skies. We look forward to the patriotic pride of Independence Day. This month will reach its pinnacle with our Annual Day, a truly joyous occasion as we celebrate the Silver Jubilee of our school's 25 glorious years — a milestone destined to shimmer with memories of dedication, achievement, and God's unfailing grace.

I extend my heartfelt gratitude to **Ms. Swity** and **Ms. Sunita** for graciously shouldering additional responsibilities with such dedication and care. I am also deeply thankful to all the class teachers and subject teachers for their attentive guidance and watchful care of the students in my absence. **May God bless them abundantly** for their commitment, hard work, and spirit of service.
