## DEAR PARENTS, GUARDIANS, TEACHERS AND STUDENTS,

As we warmly welcome the month of December, we do so with grateful hearts. This is a special time of reflection, celebration, and renewal. Before stepping into the joy and spirit that December brings, we pause to thank God for the month of November—for its learnings, experiences, and the many opportunities it offered us to grow as individuals and as a school community.

We are deeply grateful for the successful completion of all planned activities, especially our Annual Sports Day, which was a grand success. The day was marked by enthusiasm, teamwork, discipline, and true sportsmanship. Our heartfelt appreciation goes to the students for their energetic participation, the teachers and staff for their meticulous planning and commitment, and the parents for their constant encouragement and support.

## IMPORTANT NOTICE: PUNCTUALITY & MORNING ARRIVAL

I have observed that many students are arriving late to school every morning. Punctuality is essential for discipline, smooth functioning, and student safety. With immediate effect, students who arrive late and are dropped late by drivers will not be permitted to enter the school campus. The school gates will remain closed, and I will not take responsibility for such students. They will be sent back home.

It has come to my notice that some drivers make multiple trips to other schools, such as St. Augustine's and St. Aloysius, resulting in delays. Parents are requested to speak to the drivers and ensure that children reach school on time every day.

Let us work together to instill discipline and respect for time in our children. Thank you for your cooperation and support.
