November 2025

Dear Parents, Guardians, Teachers and Students,

We have joyfully begun our **Second Term**, and we pray that **God's presence** may guide and **bless us** throughout the coming months.

Attendance and School Discipline

Attendance on the **first day of school after the long mid-term holidays** was mandatory. However, I noticed that many students remained absent and were still in their native places **without submitting a leave application**.

Parents are kindly reminded to **adhere to the rules stated in the School Calendar**.

- Students who remain absent **without prior written permission or a valid reason** will have to pay a **fine of ₹100**.
- Those who were absent **due to sickness** must submit a **doctor's certificate**—such students **will not be fined**.

Your cooperation is essential in helping your children cultivate **punctuality, responsibility, and respect for school regulations**.
